River Greenway

This month explore the
beautiful trails along the Broad
River Greenway in Cleveland
County. This will be a casual hike
of 4 miles to 5 miles with stops
along the way to discover life
along and in a river. We will stop
on the banks and eat lunch
while dipping our feet in the
cool waters. Must call 704-432-
6460 to register. \$8. Reedy

Home-school Exploring Ecosystems

From the prairie to the lake to
the forest, you will learn about
the different ecosystems and
discover all the plants and
animals in it. Discover how
everything in an ecosystem has
a job and depends on other
plants or animals in order to be
healthy and balanced. Be pre-
pared to get dirty in these
hands-on investigations. \$3.

International Migratory Bird Day

International Migratory Bird
Day will focus on how birds have
inspired many of the most
significant environmental con-
servation actions in the Amer-
icas. Celebrate with bird lovers
around the world this May on
the Raptor Trail. Meet some of
Center's resident raptors and
watch docents feed the vultures.
This low-key informational event
is great for adults and families
with older children. Visit the
website for information about
how International Migratory Bird
Day is celebrated all over the
world. Included in Raptor Trail
admission \$10; \$8 seniors,
teachers and military; \$6 stu-
